UNITED METHODIST CHURCH

January 4th, 2023

Greetings Faithful,

The 2024 District Leadership Conference is rapidly approaching. The topic of the workshop is conflict management, featuring Rev. April Casperson, Director of Enrollment Management Methodist

Theological School in Ohio. In the workshop we will

explore the five conflict management styles, take an informal conflict management style assessment, and explore ways to manage conflict. Then we will explore the role of trust, credibility, and power in organizational culture, and consider what individuals and organizations can do when trust breaks down.

## Supporting UMOM in January

UMOM New Day Centers began in the hearts of people who knew they could do more for those who had less.

In 1964, members of the Desert Southwest Conference of the United Methodist Church (back then called the Arizona Methodist Church Extension Society) created what would come to be known as United Methodist Outreach Ministries or UMOM.

The early work of this faithful group was 'urban-centered ministries' that included relief for transients and backyard playgrounds for impoverished neighborhoods.

UMOM New Day Centers is the largest provider of services for homeless families in the state of Arizona. Their mission is to prevent and end homelessness with innovative strategies and housing solutions that meet the unique needs of each family and individual. Families at UMOM have the opportunity to gain the skills, medical care, quality child care and education they need to rebuild their lives.

Our January Missions offering will be given to UMOM to support families and women UMOM serves.

For more information about UMOM please visit the organization's website at [www.umom.org](http://www.umom.org).

The Missions Team is also supporting UMOM with a personal hygiene items drive. You can drop off these full size toiletries in the blue bin in the hallway any time during the month of January.
