

CHANDLER
UNITED METHODIST CHURCH

November 6th, 2025

As our week one Stewardship Corner introduced, The United Methodist Church, in prayerful collaboration and seeking God's wisdom, discerned a new vision: The United Methodist Church forms disciples of Jesus Christ who, empowered by the Holy Spirit, love boldly, serve joyfully, and lead courageously in local communities and worldwide connections. This week's Stewardship Corner is Serve Joyfully, something we do here at Chandler United Methodist Church extremely well.

SERVE
joyfully ✨

This part of the vision states: With the heart of Christ, we journey alongside the most vulnerable among us, offering care and compassion with joy. Our mission team leads us into the part of our own vision that calls us to be collaboratively serving as they assess our community, discovering the most vulnerable members among us, and seek ways to serve them with joy and compassion. I Help twice a month allows us to serve those in our community who are unhoused...and the joy of serving there is palpable! Each month we have an opportunity to give through our communion offerings, as well as a monthly mission project we can support financially, physically, and prayerfully. This coming year, let's all strive to engage with those opportunities more intentionally as we live into the vision of serving joyfully. The opportunities await us! - Rev. Candace

The AFM Dinner Theater is returning this spring! The performance will be on Saturday, March 7, and we're looking for people who would like to be part of the cast—no experience required. Rehearsals will begin in January, with the day of the week determined based on cast availability.

If you're interested in participating or want to learn more, please contact Christina Winters. We'd love to have you join the fun!

'Tis the season to begin our Christmas Mission Giving. Once again, we have a long list of needs that we ask for your generous help in providing for those who are struggling at this time. Below is a list of the requests we have received from iHelp, Save the Family, and Sidewalk Sunday School. Please visit our table in the back of the sanctuary and take a gift bag(s) or envelope. Then return the items you can provide to church by the last Sunday of November - that's November 30th - so that we can distribute the gifts in December.

- For iHelp guests, we will need 25, \$25 Walmart gift cards. Please take an envelope from the table and when you donate the gift card, please place it in an envelope and place it in the offering plate on Sunday morning.
- Save the Family has asked us to provide gift bags for 50 men and 50 women. We will provide the gift bag and a list of items that would be appreciated. You may choose what to give, using the guideline of spending \$20-\$30 for each gift bag. Please return the gift bag with the gift list still attached. That will help us make sure we don't mix up the men's bags with the women's.
- Sidewalk Sunday School: We will provide the red gift bags as well as suggested items for the children and a maximum dollar value of \$20 - \$30 that should be spent per child. Once again, please leave the list attached so that we can distribute the bags appropriately.

Don't really enjoy shopping? We get that. If you would prefer to give a monetary gift and let us do the shopping for you, please just be sure to label your check or envelope with the words Christmas Mission Giving. Thank you all for your loving hearts and generosity.

Dear Friends at Chandler United Methodist Church,

Thank you for your generous in-kind donation to House of Refuge of household items and clothing. Your gift is more than an item—it's an act of kindness that reaches straight to the heart. Because of your thoughtfulness, families who have experienced homelessness are receiving what they need to rebuild their lives with dignity, stability, and hope.

Each day on our campus, parents are working hard to secure employment, pursue education, and create brighter futures for their children. Your generosity lightens their load, meets their immediate needs, and reminds them they are not alone.

One of our residents recently shared:

"When I moved into House of Refuge, I finally felt safe. For the first time in years, I could focus on my goals instead of just surviving. My kids have a stable home, and I have the support I need to build a better future for us."

This is the power of your giving. You've provided more than goods—you've offered **hope, stability, and a renewed sense of possibility.**

Thank you for believing that every family deserves to live safely, with dignity and hope.

Sincerely,

Jacqueline Cruz
Chief Development Officer

P.S. As you plan your year-end giving, consider pairing your in-kind generosity with a tax-wise financial gift—through your retirement account, appreciated stock, or other assets—to deepen your impact.
