Dear Friends at Chandler United Methodist Church,

Thank you for your generous in-kind donation of clothing to House of Refuge. Because of your generosity, families experiencing homelessness have access to essential items that help them rebuild their lives with dignity and stability.

Your donation helps meet immediate needs so parents can focus on finding stable employment, continuing their education, and creating brighter futures for their children. It also reminds families that their community cares deeply about their success.

One of our residents recently shared:

"I currently work full time as an Enrollment Advisor earning \$24.04 per hour, which is a significant increase from my previous job. With the support of House of Refuge, I was able to secure work from home employment that created new opportunities for my family. That career move helped me get approved for a three-bedroom apartment where utilities are included. With continued support, I've also reached my goals of improving my credit and growing my savings. I'm proud of how far my family has come."

This is the impact of your generosity. You've provided more than essential items—you've helped create stability, opportunity, and a path forward for families working toward a brighter future.

Thank you for believing that every family deserves a safe place to call home.

Sincerely,

Jacqueline Cruz
Chief Development Officer

P.S. There are many meaningful ways to support families at House of Refuge, including tax-wise gifts through retirement accounts, appreciated stock, or other assets. Every gift helps create brighter futures for families in need.
